

To whom it may concern,

I had the privilege of being Osama Madi's English lecturer in Applied Technical English in spring semester 2025. I had the chance to see his progress, effort, and attitude closely. From the beginning, Mr. Madi showed strong communication skills and a high level of fluency in English, both in writing and speaking. His presentations were clear, well-organized, and confident, and he was always active in class discussions. I particularly remember his final presentation of a new business idea called Hein, in which he led his group in productive collaboration and incorporation of everyone's ideas to ensure success for all.

Mr. Madi completed his assignments with care and responsibility, and he worked well both on his own and with others. He maintained a strong work ethic and always showed motivation to learn and improve, and he was never afraid to ask good questions or share thoughtful ideas.

I fully recommend Mr. Osama Madi for any academic or professional opportunity. He is hardworking, reliable, and brings a positive and focused attitude to everything he does.
